

# Dawn Ramsey

---

**Email:** wardnancy@example.com | **Phone:** 001-794-854-9308

**Location:** Jordanview

**Hourly Rate:** \$82/hr

**Total Experience:** 11 years

---

## Summary

---

Results-driven programmer with **11 years of experience** in software development, specializing in Django, C++, Angular, and PyTorch. Proven ability in **conflict resolution, strategic planning**, and **adaptability**, with a strong track record in Agile methodologies including Scrum.

---

## Education

---

### B.Sc. in Computer Science

University of California, Berkeley

*Rank: #4, GPA: 3.56*

---

## Skills

---

- **Django:** Expert (11 yrs)
  - **C++:** Expert (7 yrs)
  - **Angular:** Expert (7 yrs)
  - **MongoDB:** Intermediate (3 yrs)
  - **PostgreSQL:** Advanced (4 yrs)
  - **PyTorch:** Expert (10 yrs)
-

## Soft Skills

---

- Conflict Resolution
  - Strategic Planning
  - Scrum
  - Adaptability
- 

## Languages

---

- English (C1)
  - Polish (Native)
  - German (B1)
- 

## Certifications

---

- **AWS Certified Solutions Architect**  
Score: 743, Exp: 2027-04-01
- 

## Experience

---

### Senior Software Developer

#### Tech Innovations (FinTech, Enterprise)

*2018 - Present*

- Led the development of a **Mobile App** that streamlined customer transactions, resulting in a 30% increase in user engagement. - Designed and implemented a **Machine Learning Pipeline** for predictive analytics, enhancing decision-making processes for financial forecasting. - Collaborated with cross-functional teams to create an **API Gateway** that improved system integration and reduced load times by 40%.

## Software Engineer

### **Creative Solutions** (Tech Startup)

*2015 - 2018*

- Developed a feature-rich **Web Application** using Angular and Django, which gained 10,000+ active users within the first three months of launch.
- Optimized database performance with PostgreSQL, reducing query times by 50%, which enhanced the overall user experience.
- Participated in Agile Scrum meetings to ensure timely project delivery and alignment with client requirements.

## Junior Developer

### **Digital Ventures** (E-commerce, Startup)

*2012 - 2015*

- Assisted in the development and maintenance of several web applications, focusing on user interface and experience improvements.
- Contributed to the integration of **MongoDB** for data management, ensuring data integrity and reliability across platforms.
- Engaged in continuous learning and application of new programming languages and technologies, fostering a culture of innovation.
