Score: 862 | Expiration: 2028-03-20
 - **Certified Kubernetes Administrator**
Score: 735 | Expiration: 2028-04-10
 - **Scrum Master Certification**
Score: 770 | Expiration: 2028-11-04
-

Experience

Senior Software Engineer

Tech Innovations Inc. (FinTech)
Enterprise | **2019 - Present**

- Led the development of a microservices architecture for a financial web application, improving scalability and performance by 30%.
- Collaborated with cross-functional teams to design and implement APIs using Django and Spring Boot, ensuring seamless integration with third-party services.

Software Developer

Creative Solutions LLC (E-commerce)

Startup | **2015 - 2019**

- Developed and maintained a high-traffic web application using Go and PostgreSQL, serving over 100,000 users.
- Implemented responsive UI components with React, enhancing user engagement and satisfaction.

Junior Developer

NextGen Technologies (Healthcare)

Startup | **2011 - 2015**

- Assisted in the creation of a web application for patient management, utilizing Angular and Redis for efficient data handling.
- Participated in Agile methodologies, contributing to sprint planning and daily stand-ups to ensure project milestones were met.
