**Phone:** (456) 453-0734x616

**Location:** Lake Michele

**Hourly Rate:** \$45/hr

**Total Experience:** 3 years

---

## Summary

---

Dedicated programmer with **3 years** of professional experience in software development. Proficient in problem-solving and cross-functional communication, with a strong ability to mentor junior developers. Seeking to leverage expertise in Node.js and C++ to contribute to innovative projects.

---

## Education

---

### M.Sc. in Software Engineering

Technical University of Munich

- **Rank:** #20

- **GPA:** 3.88

---

## Skills

---

- **Node.js:** Intermediate (3 yrs)
  - **C++:** Intermediate (2 yrs)
-

## Soft Skills

---

- Problem Solving
  - Cross-functional Communication
  - Mentoring
- 

## Languages

---

- English (C2)
  - Spanish (B1)
  - Polish (C2)
- 

## Experience

---

### Software Developer

#### E-commerce Platform

*Industry:* E-commerce | *Size:* Startup

*Year:* 2021-Present

- Developed a robust e-commerce platform utilizing Node.js, enabling seamless transactions and user experience improvements.
- Collaborated with cross-functional teams to integrate a Payment Processing System, resulting in a 25% increase in transaction efficiency.
- Mentored junior developers in best coding practices and agile methodologies.

### Data Analyst

#### Machine Learning Solutions

*Industry:* FinTech | *Size:* Enterprise

*Year:* 2020-2021

- Designed and implemented a Data Analytics Dashboard to visualize machine learning model performance, enhancing data-driven decision-making.
- Worked on a Machine Learning Pipeline that streamlined data processing and model training, reducing processing time by 30%.

- Communicated complex data insights to stakeholders, facilitating strategic planning and project adjustments.

## Software Engineer Intern

### Content Management System

*Industry:* Tech Startup | *Size:* Startup

*Year:* 2019-2020

- Assisted in the development of a Content Management System using C++, contributing to features that improved user engagement.
  - Participated in code reviews and provided constructive feedback, fostering a culture of quality and continuous improvement.
-
