Score: 843  
Expiration: 2027-05-28
  - **Certified Kubernetes Administrator**  
Score: 728  
Expiration: 2026-08-21
  - **Scrum Master Certification**  
Score: 770  
Expiration: 2027-03-19
- 

## Experience

---

### Software Engineer

**Tech Innovations Inc.** (FinTech, Startup)

*June 2021 - Present*

- Developed a **Data Analytics Dashboard** using Next.js and Rust, enhancing data

visualization for financial reports, resulting in a 30% increase in user engagement. - Collaborated with cross-functional teams to integrate an **API Gateway**, improving system interoperability and reducing data retrieval times by 25%.

## Junior Developer

**Creative Solutions Ltd.** (E-commerce, Enterprise)

*March 2019 - May 2021*

- Assisted in the development of key features for a high-traffic e-commerce platform using Angular and PyTorch, contributing to a 15% increase in sales conversions.
- Participated in daily stand-ups and sprint planning meetings, facilitating effective communication among team members and ensuring timely project delivery.

## Intern Developer

**StartUp Hub** (Technology, Startup)

*January 2018 - February 2019*

- Supported the development of internal tools using C++ and Git, streamlining workflow processes and improving efficiency by 20%.
- Engaged in user testing and feedback collection, implementing changes based on user insights to enhance overall product usability.
