## Skills

- **AWS:** Expert
  - **Git:** Advanced
  - **Flask:** Advanced
  - **Java:** Intermediate
  - **Docker:** Intermediate
  - **PostgreSQL:** Intermediate
  - **Go:** Intermediate
- 

## Projects

- **Mobile App**  
Designed and developed a user-friendly mobile application for local businesses to improve customer engagement, resulting in a 4.8-star rating on app stores.
  - **Data Analytics Dashboard**  
Created an interactive dashboard using Flask and PostgreSQL for visualizing key metrics, which facilitated better decision-making for management and increased operational efficiency.
  - **Content Management System**  
Developed a robust CMS that allowed non-technical users to manage website content effortlessly, leading to a 60% reduction in content update turnaround time.
- 

## Education

**Bachelor of Science in Computer Science**  
*University of New Nathan*  
*Graduated: May 2018*

- Relevant coursework: Data Structures, Web Development, Database Management, Cloud Computing

---

## Certifications

- **AWS Certified Solutions Architect** - Associate
  - **Flask Web Development** - Certification from Online Learning Academy
  - **Git Version Control** - Certification from TechSkills Institute
- 

## Additional Information

- **Volunteer Work:** Mentored local high school students in coding, fostering interest in technology and programming.
  - **Interests:** Open-source contributions, technology blogs, and attending hackathons.
