Phone: (437)447-6489x19437

Location: East Adam

Hourly Rate: \$122/hr

Total Experience: 10 years

Summary

Dynamic programmer with 10 years of experience in software development, specializing in modern programming languages and frameworks. Proven track record in Agile methodology, public speaking, and adaptability, enabling effective collaboration and communication within teams.

Education

B.Sc. in Computer Science

University of California, Berkeley

Ranking: #4

GPA: 3.46

Skills

- **Node.js:** Intermediate (3 years)
- **Go:** Expert (8 years)
- **Rust:** Expert (9 years)
- **PyTorch:** Advanced (4 years)
- **MongoDB:** Expert (9 years)
- **Redis:** Expert (7 years)

Soft Skills

- Agile Methodology
 - Public Speaking
 - Adaptability
-

Languages

- English (C1)
-

Experience

Software Engineer

E-commerce Platform

Industry: Retail | Size: Startup

2018 - Present

- Developed and maintained a scalable E-commerce platform using Go and MongoDB, which supported over 100,000 concurrent users.
- Implemented microservices architecture, improving deployment speeds by 30% and enhancing system reliability.
- Collaborated with cross-functional teams to create a mobile app that increased customer engagement by 25%.

Senior Software Developer

Content Management System

Industry: Media | Size: Enterprise

2015 - 2018

- Led the development of a content management system using Rust and Redis, optimizing data retrieval times by 40%.
- Designed a machine learning pipeline with PyTorch, enabling automated content categorization and personalized user experiences.
- Conducted public speaking sessions to train junior developers on Agile methodologies and best coding practices.

Software Developer

Microservices Architecture

Industry: Technology | Size: Startup

2013 - 2015

- Contributed to the design and implementation of a microservices architecture for a cloud-based solution, enhancing system scalability and maintainability.
 - Collaborated with product managers to define project requirements and deliver software solutions on time and within budget.
