## Summary

Dynamic and results-driven programmer with over 5 years of experience in developing scalable web applications and cloud infrastructure. Skilled in leveraging advanced technologies to create efficient solutions that simplify complex processes. Proven track record in collaborating with cross-functional teams to deliver high-quality software products. Passionate about continuous learning and staying updated with industry trends.

## Experience

### Software Developer

**Tech Innovations Inc.** - Stevensonmouth

*June 2020 - Present*

- Designed and implemented an **API Gateway** that streamlined communication between microservices, improving response times by 30%. - Developed a **Payment Processing System** integrated with multiple payment gateways, reducing transaction errors by 25%. - Collaborated with a team to create a **Data Analytics Dashboard** using Vue.js, enabling real-time data visualization and reporting for business stakeholders.

### Junior Developer

**NextGen Solutions** - Stevensonmouth

*January 2018 - May 2020*

- Assisted in the development of web applications using **React** and **JavaScript**, contributing to a 15% increase in user engagement. - Participated in the deployment

of containerized applications using **Docker** and **Kubernetes**, enhancing application scalability and reliability. - Supported DevOps initiatives by implementing CI/CD pipelines with **Jenkins**, leading to a 20% reduction in deployment time.

## Skills

- **AWS:** Expert
- **Vue.js:** Advanced
- **JavaScript:** Intermediate
- **Kubernetes:** Advanced
- **React:** Intermediate
- **Docker:** Intermediate
- **FastAPI:** Intermediate
- **Jenkins:** Beginner
- **TypeScript:** Beginner
- **DevOps:** Intermediate
- **C++:** Advanced

## Projects

- **API Gateway:** Developed a robust API gateway that improved inter-service communication efficiency by implementing advanced routing and load balancing techniques.
- **Payment Processing System:** Led a project to design a secure payment processing system that integrated with various financial APIs, ensuring compliance with industry regulations.
- **Data Analytics Dashboard:** Created an interactive dashboard utilizing Vue.js and FastAPI, providing actionable insights that increased data-driven decision-making among users.

## Certifications

- **Docker Certified Associate** - Docker, Inc.
- **Google Cloud Professional** - Google Cloud

## **Education**

**Bachelor of Science in Computer Science**

**Stevensonmouth University - Stevensonmouth**

*Graduated: May 2017*
