Location: West Alexandraburgh

Summary

Dynamic and detail-oriented programmer with over 5 years of experience in software development and a strong focus on cloud solutions and container orchestration. Proven track record of delivering high-quality projects on time and within budget. Passionate about leveraging technology to solve complex problems and enhance user experience. Looking to contribute expertise in AWS and Kubernetes to a forward-thinking organization.

Experience

Senior Software Developer

Tech Innovations Inc. - West Alexandraburgh, USA
June 2021 - Present

- Developed and maintained an **E-commerce Platform** that increased sales by 30% over 12 months, utilizing **Expert JavaScript** and **Advanced Rust** for backend services.
- Spearheaded the migration to **Kubernetes**, improving deployment times by 50% and system reliability.
- Collaborated closely with cross-functional teams to design and implement a **Data Analytics Dashboard** that provided actionable insights, leading to a 20% increase in customer retention.

Software Engineer

Creative Solutions Ltd. - West Alexandraburgh, USA

January 2019 - May 2021

- Contributed to the development of a **Mobile App** that garnered over 100,000 downloads within the first six months of launch, using **Intermediate Python** and **JavaScript**.
- Implemented containerized applications using **Beginner Docker**, enhancing the development workflow and reducing environment-related issues.
- Assisted in the transition to **AWS** cloud services, optimizing costs by 15% through effective resource management.

Junior Developer

Web Dynamics Corp. - West Alexandraburgh, USA

June 2017 - December 2018

- Developed a **Web Application** for small businesses, resulting in a 40% increase in client satisfaction based on user feedback.
- Engaged in the development of a **Content Management System** (CMS) that streamlined content updates and reduced management time by 25%.
- Gained proficiency in **Intermediate Redis**, optimizing data storage and retrieval processes.

Skills

- **JavaScript:** Expert
