Skills

- **Next.js**: Expert (7 years)
- **Terraform**: Expert (8 years)

Soft Skills

- Strategic Planning
- Agile Methodology

- Conflict Resolution

Languages

- **English**: Native
- **French**: B1
- **Polish**: C2

Experience

Software Engineer

E-commerce Platform

Industry: E-commerce | **Size:** Startup

January 2020 - Present

- Developed a high-traffic e-commerce platform using Next.js, significantly improving user engagement and reducing page load times by 30%.
- Implemented a robust Payment Processing System, enhancing transaction security and compliance with industry standards.
- Collaborated with cross-functional teams to integrate the API Gateway, streamlining communication between microservices.

Senior DevOps Engineer

FinTech Company

Industry: FinTech | **Size:** Enterprise

June 2017 - December 2019

- Led the migration of legacy systems to cloud infrastructure using Terraform, achieving a 40% reduction in operational costs.
- Designed and maintained CI/CD pipelines, increasing deployment frequency and reducing time to market for new features.
- Conducted training sessions on best practices for cloud architecture and infrastructure as code.

Junior Software Developer

Tech Startup

Industry: Technology | **Size:** Startup

August 2014 - May 2017

- Assisted in developing web applications with a focus on user experience and performance.
- Worked closely with senior developers to integrate RESTful APIs, improving application functionality.
- Participated in Agile ceremonies and contributed to sprint planning and retrospectives, fostering a collaborative team environment.
