Education

M.Sc. in Software Engineering

Warsaw University of Technology

- **Rank:** #50
- **GPA:** 3.92

Skills

- **Django:** Advanced (5 years)
- **Spring Boot:** Intermediate (2 years)
- **Data Science:** Expert (7 years)
- **Redis:** Intermediate (3 years)
- **Git:** Advanced (6 years)

Soft Skills

- Strategic Planning
- Cross-functional Communication
- Adaptability
- Mentoring
- Conflict Resolution

Languages

- **English:** C1

Certifications

- **Microsoft Azure Developer**
- Score: 990

- Expiration: 2027-09-08

- **Google Cloud Professional**

- Score: 787
- Expiration: 2028-03-18

Summary

Experienced programmer with a total of 7 years in the field, specializing in Data Science and web development technologies. Strong soft skills including strategic planning, cross-functional communication, adaptability, mentoring, and conflict resolution.

Experience

Senior Software Engineer

Tech Innovations, Inc.
Industry: FinTech | *Size:* Enterprise
Duration: 3 years
- Led the development of a **Payment Processing System** that improved transaction speed by 30%.
- Collaborated with cross-functional teams to design and implement a **Machine Learning Pipeline** that enhanced fraud detection capabilities.

- Mentored junior developers, fostering an environment of continuous learning and improvement.

Software Developer

Creative Solutions Ltd.
Industry: E-commerce | *Size:* Startup
Duration: 2 years
- Developed a robust **E-commerce Platform** using Django, resulting in a 25% increase in user engagement.
- Implemented Redis for caching, reducing server response time by 40%.
