Request for Proposal (RFP) - E-commerce Modernization Development

Executive Summary

MedTech Industries is seeking proposals from experienced development teams for an E-commerce Modernization project aimed at enhancing our existing platform through advanced API integration. This initiative is critical to improving our operational efficiency, customer experience, and competitive positioning in the healthcare technology sector. We invite qualified teams to submit their proposals, outlining their approach to delivering a robust integration platform that aligns with our business objectives.

Project Overview

- **Project Title:** E-commerce Modernization Development
- **Client:** MedTech Industries
- **Project Type:** E-commerce Modernization
- **Duration:** 20 months
- **Team Size:** 7 people
- **Budget Range:** $1M - $2M
- **Start Date:** November 30, 2025
- **Location:** Abbottmouth (Remote work not allowed)

Business Context and Objectives

In a rapidly evolving healthcare market, MedTech Industries aims to modernize its e-commerce capabilities to better serve our clients and streamline internal processes. The key objectives of this project include:

- Integration of modern APIs to facilitate seamless communication between existing systems.

- Enhancement of user experience through improved functionality and performance.
- Adoption of microservices architecture to ensure scalability and flexibility.
- Implementation of best practices in DevOps to support continuous delivery and integration.

Technical Requirements

- **REQUIRED:**
- Node.js - Intermediate level
- Java - Intermediate level (Preferred certifications: AWS Certified Solutions Architect)

- Microservices - Intermediate level (Preferred certifications: AWS Certified Solutions Architect, Google Cloud Professional)

- **Preferred:**

- JavaScript - Intermediate level
- Django - Intermediate level (Preferred certifications: AWS Certified Solutions Architect)
- DevOps - Intermediate level

Expected Team Profile

We anticipate a team of 7 professionals with the following profiles:

1. **Project Manager (1)**
2. Experience in managing e-commerce projects.

3. Strong communication and leadership skills.

4. **Node.js Developer (2)**

5. Proficient in building and maintaining server-side applications.

6. Familiarity with RESTful APIs and microservices.

7. **Java Developer (2)**

8. Experience in developing scalable applications.

9. Knowledge of AWS and cloud-based solutions.

10. **Frontend Developer (1)**

11. Proficient in JavaScript and modern frameworks.

12. Experience in user interface design and development.

13. **DevOps Engineer (1)**

14. Familiar with CI/CD pipelines and deployment strategies.
15. Experience with cloud infrastructure management.

Timeline

- **RFP Release Date:** [Insert Date]
- **Proposal Submission Deadline:** [Insert Date]
- **Evaluation Period:** [Insert Date]
- **Final Selection Announcement:** [Insert Date]
- **Project Kick-off:** November 30, 2025
- **Project Completion:** July 30, 2027

Budget

The estimated budget for the project is in the range of $1M to $2M, which includes all development costs, project management, and any necessary tools or technologies.

Proposal Guidelines

Interested parties are required to submit their proposals by [Insert Date], which should include:

- A detailed project plan.
- Profiles of proposed team members.
- Relevant case studies or examples of similar projects.
- Proposed budget and payment structure.
- Timeline for deliverables.

Deliverables and Milestones

- **Phase 1:** Requirements Gathering and Analysis (Month 1-2)
- **Phase 2:** Design Architecture (Month 3-4)
- **Phase 3:** Development of API Integrations (Month 5-10)
- **Phase 4:** User Acceptance Testing (Month 11-15)
- **Phase 5:** Deployment and Go-Live (Month 16-20)

Acceptance Criteria and Evaluation Process

Proposals will be evaluated based on the following criteria:

- Demonstrated experience and qualifications of the team.
- Technical approach and methodology.
- Project timeline and deliverables.
- Cost-effectiveness and budget adherence.
- Client references and case studies.
